

## PACCON 2008

Pure and Applied Chemistry International Conference 2008

Jan 30 – Feb 1, 2008, Sofitel Centara Grand Bangkok, Bangkok, Thailand

June 1, 2007

### Invitation to PACCON 2008

Dear Colleagues

I am pleased to inform you that Department of Chemistry, Faculty of Science, Kasetsart University (KU) is organizing the Pure and Applied Chemistry International Conference 2008 (PACCON 2008) from Jan 30 – Feb 1, 2008, Sofitel Centara Grand Bangkok, Bangkok, Thailand under the auspices of the Chemical Society of Thailand (CST).

PACCON 2008 will be the Meeting of top scientists from all over the world. With the theme, “Chemistry for Sufficiency and Sustainability”, PACCON 2008 will discuss the latest in chemical research, development and education with special emphasis on sustainable development and improving the quality of life. We are planning a scientific program that covers all areas of chemistry and chemistry-related disciplines. The program comprises the following:

✦ **Keynote Speaker/Plenary Lectures**

✦ **The following 14 Scientific Sessions**

- ✦ Analytical Chemistry, Inorganic Chemistry, Organic Chemistry and Medicinal Chemistry
- Physical and Theoretical Chemistry, Material Science and Nanotechnology, Biological / Biophysical Chemistry and Chemical Biology, Bio / Cheminformatics, Polymer Chemistry, Petroleum Chemistry and Catalysis, Environmental Chemistry, Chemical Education, Cosmetics, Industrial Chemistry and Innovation, Food Safety

Eminent scientists have been invited to present Plenary and Keynote lectures in PACCON 2008. An exhibition on Chemicals and Instrumentation will also be held as part of PACCON 2008.

More information on PACCON 2008 may be found in our website: <http://www.paccon.sci.ku.ac.th/>

On behalf of the PACCON 2008 Organizing Committee and Kasetsart University, I would like to invite you to present your current scientific work in PACCON 2008. We feel that your participation in PACCON 2008 with fellow scientists from all over the world will definitely contribute to further development of chemistry in this part of the world.

I hope that you will accept our invitation. Please give us the title of your presentation, and an abstract at a later date. We look forward to meeting you at PACCON 2008 in the early 2008 which is the most pleasant time in Thailand.

With the best wishes.

Yours sincerely,

**Noojaree Prasitpan**

Chairperson, PACCON 2008 Organizing Committee

Head of Chemistry Department, Faculty of Science, Kasetsart University
